

Every Youth Can Serve

Under Lakeside's Youth-Serve programme, students from **Swiss Cottage Secondary School (SCSS)** and **Grace Orchard School (GOS)** planned and hosted a Children's Carnival together.

"Our students showed the things they can do to bring smiles to people," shared Ms Jassica Chen, HOD of Allied Professionals at GOS. "It was a good opportunity for them to get to know their peers from mainstream schools." 15-year-old SCSS student Samuel Foong agreed, "It was hard at first, but we learned to communicate. We worked hard, we're glad to see the children happy at this carnival."

Youth-Serve is specially tailored for Normal Stream students to develop their leadership potential through service-learning.

Let's Go Out
and Play
