

# United, we score!

**GOAL!** The usually quiet stadium at ITE College West was filled with roars of cheers on the afternoon of 22 October. 16 teams comprising of Shell Singapore staff and beneficiaries came together for a friendly soccer tournament. Lakeside is proud to send two teams from our Families-in-Transition (FiT) youths, Agape Inspires volunteers and Lakeside staff.

"Soccer is a powerful interactive game where youths of different backgrounds bond together for a common goal. The sportsmanship acquired will prepare the boys in managing the ups and downs in life," said Mark Vera, Social Work Associate, FiT Soccer coach.

It was definitely a bonus to score third place in the tournament!

# One for All, All for One

3 September 2016, a bright and sunny day to walk down Henderson Waves, Southern Ridges.

For 34 very different individuals, walking together in a group was a challenge. Some were energetic and ready to keep going, others were tired, and still others were easily distracted. It was indeed a test of understanding, encouragement and perseverance as our Deutsche Bank volunteers, Agape Inspires youth leaders, Families-in-Transition pre-teens and staff marched forward to finish the walk together. We did it!

**I learn to take better photos, respect the environment and stay as a group."**

– Udyn, Agape Inspires youth.

**Every child is uniquely different with their own actions to express themselves. We are glad to have the opportunity to interact with them."**

– Mr Edward, Deutsche Bank volunteer.
